OUR SOURCE OF INSPIRATION

Shriyut Bhagwant Singh
(12-01-1908-15-06-2007)

MESSAGE FROM THE HON'BLE CHANCELLOR'S DESK

I am extremely pleased to note that Bhagwant Global University, a unit of Bhagwant Education Foundation, a renowned name in the realm of education, has taken a giant stride in its progress. This university is established with an object of imbibing academic excellence, upholding and maintaining ethical values. It is enriching knowledge, skills, attitude and self belief, so as to enable students to be successful in their future endeavour.

It is providing comprehensive, multifaceted, interdisciplinary, world class education with its dedicated, involved and committed staff. Bhagwant Global University plays a vital role in the socio- economic growth of the nation.

Dr. Anil Singh
Chancellor

MESSAGE FROM THE HON'BLE PRO CHANCELLOR'S DESK

We at Bhagwant Global University understand that education plays an important role in shaping the destiny of an individual as well as the nation. With this fact in mind, we keep on discovering new horizons for effective dissemination of education and fulfill the demands of the current tech savvy generation. Over and above, we orient your personality through sustained exposure to technical skills, extra-curricular activities and personality development modules. It will be my sincere endeavour to provide suitable homely environment with transparency, impartiality and fairness to responsible and coordinated manner with their full potential. The extensive infrastructure, ultra modern labs, resourceful library, highly qualified and experienced faculty, well designed hostel, facilities for indoor and outdoor recreation will provide the ideal environment for the grooming of the learner in BGU. The Bhagwant Global University is recognized today as one of the best and renowned University in North India due to its high academic excellence, consistency and excellent industrial exposure. I am sure working as a team; we would be able to take our organization to the pinnacle of its glory.

Best wishes and god bless you

Dr. Asha Singh
Pro Chancellor

MESSAGE FROM THE PRO-VICE CHANCELLOR'S DESK

Vivekanand- "Education is a manifestation of perfection already in man."

Our university is providing professional and higher education encompassing a vast arena of studies and research. Since its inception in 2016, the University has been consistently attracting the students from many provinces of India.

We endeavor to produce thinking minds with a bright vision of the future with driven by a mission to make a difference at the workplace, through deep sense of dedication, integrity and tenacity. With more than 1000 students and experienced faculty members, we are committed to accomplish the noble Vision and Mission of the University. We are indeed performing leadership role by way of stimulating innovative spirits, fostering inquisitiveness and enhancing independent thinking at the campus.

Inspiration for quality education and research is bestowed on by all sections of our society. We are committed to provide quality education, for it we focus on seminar, webinar, workshop and different methods of teaching besides lecture method. We also provide a platform and opportunities of job by organizing placement drive time to time. Besides, the University also organizes various co-curricular activities to provide a global platform to the students for their overall development.

I welcome the students seeking admission in various courses and congratulate the students for choosing their new venture at Bhagwant Global University Kotdwar, Uttarakhand. This is of course a unique opportunity for the students to become a part of our academic fraternity.

Wishing you a bright future

Jai Hind

(Prof. P.S. Rana)

OUR VISION, MISSION, AIMS AND OBJECTIVES

VISION

A world class teaching and research oriented University of Scholarly excellence.

MISSION

- To impart high quality technical, scientific and professional university level education.
- Uphold and maintain high standards of academic and research excellence.
- Nurture young and talented human resources for the service of the society.

AIMS

- To develop professional competence and capability in students and faculties that will make the best use of their intrinsic potential.
- Personality development so that they contribute towards social and national development by becoming an agency of transformation through modernization, productivity and community participation.
- To disseminate knowledge and play a vital role in socio-economic growth of the nation by inculcating ethical values.

OBJECTIVES

- To evolve students and teachers personality with courage, conviction, vitality and integrity so that they lead a life in harmony with the universe.
- Continual training and motivation of stake holders.
- Higher pass percentage and placements every year.

BHAGWANT

GROUP OF INSTITUTIONS

Bhagwant Group of Institution (BGI) was established by team of professionals and NRI's with a vision of searching talent among rural and urban youth and providing them opportunities to get technical exposure of academic and industrial research. BGI is conducting AICTE/UGC/NCTE approved programmes leading to B.E., B.Tech, MBA, MCA, B.Pharm, M.Pharm, M.Tech, B. P. Ed., B.Ed., M.Ed., BCA, BBA, Hotel Management and Ph.D. degrees. BGI consists of following Institutes, Hospital and Industries:-

INSTITUTES

- Bhagwant University
Sikar Road Ajmer (Rajasthan)
- Bhagwant Global University
Kotdwar (Uttarakhand)
- Baxil Garhwal University
Narendra Nagar, Dehradun (Proposed)
- Bhagwant Institute of Technology
Bhagwantpuram, Muzaffarnagar (UP)
- Bhagwant Institute of Technology
Ghaziabad (UP)

- Ajmer Institute of Technology
Pushkar Bypass, Ajmer (Rajasthan)
- Bhagwant College of Education
Bhagwantpuram, Muzaffarnagar (UP)
- Bhagwant Institute of Pharmacy
Bhagwantpuram, Muzaffarnagar (UP)
- Shakuntala Girls Degree College
Chandpur, Bijnor (UP)
- Bhagwant Public School
Chandpur, Bijnor (UP)
- Bhagwant Institute of Medical Sciences
Bhagwantpuram, Muzaffarnagar (UP)
- Bhagwant Ayurvedic College
Bhagwantpuram, Muzaffarnagar (UP)

HOSPITAL

- Bhagwant Hospital
Bhagwantpuram, Muzaffarnagar (UP)

INDUSTRIES

- Baxil Pharma, Haridwar
- Concrete Technology, New Delhi

BHAGWANT GLOBAL UNIVERSITY (BGU) CAMPUS

BGU campus is situated in Jhandichaur with a distance of 14 KM at Kotdwar – Haridwar route and near to Kanvashram, the historical place of India. It was famous for an education centre in ancient time. It is known as the birth place of Bharat, the son of King Dushyant and his queen Shakuntala and the land of penance of Maharshi Kanv. It is said that the name of our country is known by his name 'Bharat'.

BGU is the first private and the premier university of Kotdwar. It was established by Bhagwant Education Foundation in 2016. This is committed to provide quality education at different spheres.

BGU provides instructions, teaching and training in various areas i.e. Art, Commerce, Science, Engineering and Technology, Management, Paramedical, Pharmacy, Nursing and make provision for research and advancement and dissemination of knowledge so as to emerge as a premier centre for learning and research.

BGU creates higher level of intellectual abilities and to contribute to the higher education sector of developing states and countries at an affordable cost and establish state of art facilities for technical and professional education and other disciplines of learning.

BGU is also committed to develop centre of excellence for teaching, research and development and for sharing knowledge and its application.

THE COURSES OFFERED- COURSES, ADMISSION PROCESS & SCHOLARSHIP

I. COURSES

Department	Courses	Duration	Eligibility Criteria
Agriculture	B.Sc. (Ag)	4 Years	Passed 10+2 with Science Stream
Applied Sciences	B.Sc. (PCM)	3 Years	Passed 10+2 with PCM Group
	B.Sc.(CBZ)	3 Years	Passed 10+2 with CBZ Group
	B.Sc. (Biotechnology)	3 Years	Passed 10+2 with CBZ Group
	B.Sc.(Microbiology)	3 Years	Passed 10+2 with CBZ Group
	B.Sc.(H)	3 Years	Passed 10+2 with concerned Group
	M.Sc.(Biotechnology)	2 Years	Passed B.Sc. with Botany, Zoology and Chemistry
	M.Sc.(Microbiology)	2 Years	Passed B.Sc. with Botany, Zoology and Chemistry
	M.Sc.(Botany)	2 Years	Passed B.Sc. with Botany, Zoology
	M.Sc.(Chemistry)	2 Years	Passed B.Sc. with Chemistry
	M.Sc.(Maths)	2 Years	Passed B.Sc. with Maths
	M.Sc.(Zoology)	2 Years	Passed B.Sc. with Zoology
	M.Sc.(Physics)	2 Years	Passed B.Sc. with Physics
Computer Science	BCA	3 Years	Passed 10+2 with concerned Group
	MCA	2 Years	Passed B.A./B.Sc. with Maths
Engineering	B.Tech (CSE, AI& ML, SC)	4 Years	Passed 10+2 with PCM/CBZ Group
	Diploma in Engineering (Civil)	3 Years	Passed 10+2 with PCM Group
	Diploma in Engineering (Mechanical)	3 Years	Passed 10+2 with PCM Group
Humanities	B.A. (H)	3 Years	Passed 10+2 with any discipline
	B.Com (H)	3 Years	Passed 10+2 with any discipline
Management	BBA	3 Years	Passed 10+2 with any discipline
	MBA	2 Years	Passed graduation in any discipline
Nursing	GNM	2 Years	Passed 10+2 with 50% marks with English in any discipline
	B.Sc. Nursing	4 Years	Passed 10+2 with 50% marks with English in any discipline
Paramedical Sci.	BMLT	3 Years	Passed 10+2 with CBZ Group
	BMRIT	3 Years	Passed 10+2 with CBZ Group
	BPT	4 Years	Passed 10+2 with CBZ Group
	M.Sc. MLT	2 years	Passed DMLT
Pharmacy	Diploma in Pharmacy	2 Years	Passed 10+2 with CBZ Group
	B.Pharm	4 Years	Passed 10+2 with CBZ Group
Naturopathy & Yogic Sciences	DNYS	2 Years	Passed 10+2 In Any Discipline
	BNYS*	5 Years	Passed 10+2 with CBZ Group

II. ADMISSION PROCESS

There are two methods applied in our university for admission – one is directly on the basis of merit in the last exam passed and second is through entrance, the merit on the basis of entrance test. Our University conduct entrance exam in GNM and B.Sc. (N).

II (A). EVALUATION SYSTEM

The University follows the Evaluation System as prescribed by UGC i.e. Written, Seminar, Presentation, Field Study/Dissertation etc.

III. MANAGEMENT SCHOLARSHIP

There is a scheme of university earn while you learn. In which students are given scholarship. The poor and meritorious students are also given scholar and concession in fees.

SOCIAL ACTIVITIES

Our University is committed for all round development of the learner. It focuses on extra activities besides teaching. Seminar, workshop, webinar methods are also followed by our university. Guest lectures by expert are also organized time to time. Sport meet is organized every year which is an essential part of our curriculum. NSS is available in our university which conducts various programme and activities in the society. We are also going to start NCC and Scout Guide Course for the social development of the students.

DEPARTMENT OF AGRICULTURE

There is being run B.Sc. (Agriculture) course in our university. We are planned to start M.Sc. (Agriculture) in different specialization. The student who passed intermediate with PCB/Agriculture is eligible to get admission in this course. Theory, Practical and field study is an essential part of the curriculum. For Internship, the student has to go for RAWE to Chinyalisaur There is UG programme in agriculture with 60 intakes. The student who is passed 10+2 with Science/Agriculture is eligible for admission in B.Sc. Ag course. The duration of the course is 4 years.

DEPARTMENT OF APPLIED SCIENCES AND HUMANITIES

There are UG and PG programme being run in our university. In applied science B.Sc. (Zoology, Botany, Chemistry, Physics, Mathematics) and M.Sc. (Physics, Chemistry, Botany, Zoology, Mathematics) besides it we also offer Honour courses in B.Sc. and B.A. as well. These are versatile degree that provides students with the optimal balance between defined sequences of study with flexible career options. Our teaching methodology will give a deep understanding of all important groups. An understanding of basic subjective knowledge to deliver as expert subjective is one of the key to advancing knowledge.

DEPARTMENT OF COMPUTER SCIENCE AND TECHNOLOGY

The program is broad and various with courses in algorithms, data structures, logic, programming languages, scientific computing, systems and theory. The study of computing, programming, and computation in correspondence with computer systems. The field of study utilizes theories on how computers work to design, test and analyze concepts. Computer science usually has a stronger mathematical foundation than a scientific one and on some occasions may not focus directly on computers and their systems.

Computer have brought a revolution in the process of research development and discovery in all fields of engineering and science. New technologies, such as multi core processors, mobile computing and cloud computing are reshaping the land scape of computing and new challenges are emerging as computer science. International journal of Information Technology, and its Application is published both online and print version in the department.

Our esteemed, experienced and highly qualified faculty members have large number of research publications in international conferences and journals and have professional membership of IEEE, CSI and ISTE.

Department has value added lab support and R&D division such as SUN SOLARS, Animation, Hardware and Software testing lab.

DEPARTMENT OF ENGINEERING

BGU offers Mechanical and Civil Engineering at diploma level and CSE, AI & ML, Cyber Security at B.Tech level.

Mechanical engineering is a discipline of engineering that applies the principles of physics and material science for analysis, design, manufacturing and maintenance of mechanical system. It is the branch of engineering that involves the production and usage of heat and mechanical power for the design, production and operation of machines and tools.

Civil engineer handle, plan and construct roads, bridge, canals and many more essential public works. A career in civil engineering allows you to apply an aptitude for mathematics and science to large scale consequential public problems.

Computer Science (CS) focused on the theoretical foundation of computing along with state of the art development of computing solution. As a CSE student, one is able to learn-

- to design, develop and test algorithms

- to design, develop and test software

- to develop affective solutions to computing problems across domains

CS also deals with information and computation. Its approach to computation and associated application is regarded to be practical and scientific.

DEPARTMENT MANAGEMENT AND COMMERCE

BGU offers the courses of management at UG and PG level. It provides students with quantitative as well as qualitative knowledge to analyze business problems and create opportunities to address them. Our mission is to develop entrepreneurial and responsible global leaders and to advance business knowledge. What sets us apart from others is our transformational programme which not only focuses on the practical skills-the 'know how' (organizing, analyzing, handling conflicts, leading teams) but also attributes of character the know why integrity, ethics, empathy, emotional intelligence). In spite of being bound by a predetermined curriculum. BGU makes the best efforts to impart industry relevant knowledge and extra skills which make a student standout among a crowd of applicants.

The course on digital marketing will make the subjects ready for the new age tools of marketing and advertizing. In a country of more than 1 billion people, approximately 35 % people have access to digital network.

DEPARTMENT OF NURSING

BGU offers Nursing Course at Diploma and Degree level both for students with all round development of their skills, knowledge and personality required for the profession. GNM enroll a sizable number of meritorious students each year. The best educational aids are used rich industrial themselves.

The GNM and B.Sc. nursing courses are approved by SRNC/INC. Students with background in any educational stream can take admission in this course, which is also known as General Nursing cum Midwifery course.

DEPARTMENT OF PARAMEDICAL SCIENCES

In Paramedical Science, we offer UG Courses- BMLT, BMRIT and BPT with 30 intakes and PG Courses- M.Sc. MLT with 30 intakes. There is focused on theory and practical with clinical posting as internship of six month duration. The student who is 10+2 with PCB/PCM is eligible to get admission in BMLT while 10+2 with PCM is eligible to get admission in BMRIT. The duration of course is 3.6 years for UG and 2 years for PG.

DEPARTMENT OF PHARMACY

BGU offers pharmacy courses at diploma and UG level. The courses are recognized by the government of Uttarakhand and approved by PCI. There are 60 intakes in Diploma and 100 intakes in B.Pharm. After completing two years Diploma, one can set up his/her own pharmacy or chemist, in order to stock and sell medicines and dispense them according to a registered medical practitioner's prescription and can become medical representative as well. Our pharmacy department is working with a mission to enhance the level of pharmaceutical education and going to applied for M.Pharm course.

DEPARTMENT OF NATUROPATHY & YOGIC SCIENCES

BGU got permission for DNYS with 100 intake and applied for BNYS course. The Course is recognized by Bhartiya Chikitsa Parishad Uttarakhand research by training the future Pharmacist, teachers, managers and research scientists for the industry and profession.

STATE OF THE ART INFRASTRUCTURE

CLASSROOMS

There are smart classroom in our university, the classroom in which there is an instructor station equipped with computer and audio visual instruments allowing the instructor to teach using a wide variety of media. These include DVD and VHS playback, Power point presentation and more all displayed through a data projector. Some smart classrooms are semi-permanent unit in the room called a Smart Console.

LIBRARY

Totally computerized & fully furnished library is functional in 20943 sq. ft areas with seating capacity of 400+ Students. The Library system consists of a Central Library and its five Departmental Libraries which collectively support the teaching, research and extension programmes of the institute. All students, faculty members and employees of the Institute are entitled to make use of the Library facilities by taking library membership.

LABORATORIES

The required laboratories are spacious and exceptionally designed with state of the art facilities in each of the department of our university as per the norms and standards of their respective bodies. All the labs and workshops are equipped with modern equipment of industrial standards.

CAFETERIA

There is a modern canteen "Cafeteria" spreaded over 6000 sq ft area to cater a variety of delicious finger licking and hygienic food/snacks with Nescafe & Cream Bell Counter.

GYMNASIUM

Modern Gym cum Fitness centre with all exercise equipments and machines. Fitness Instructor is also appointed to guide the students.

SPORTS

Our University has a large playground and facilities for several indoor (Table Tennis, Carom, Chess etc.) and outdoor (Cricket, Volley ball, Football, Basket ball and Tennis court etc.) games. The students are

encouraged to participate in the sport competitions. Departmental and Inter departmental competition is organized for developing the sports skills.

GUEST HOUSE

There is a well furnished separate guest house for Authorities, faculties, staff and visitor with a capacity of 20 Rooms in the university.

TRANSPORT

A large fleet of transport facility with 2 buses, 2 Maruti van and a car to facilitate students, staff and others.

POWER BACKUP

High capacity generator in each academic and hostel blocks for 24x7 power supply.

SOLAR PANEL

Our university has set up solar panel with 25 kW.

WATER PLANT

RO water plant for clean, hygienic and cool drinking water, available in every block and hostels.

BANKING

SBI / PNB Bank with ATM Machine. One can use for paying one's fee.

HOSTELS

Separate hostel for boys and girls all modern furniture and fixtures such as RO drinking water, attach toilet, 24 hours power backup & medical facility, internet connection is also available.

MESS

Large and well furnished mess for healthy hygienic meals.

WI-FI CAMPUS

Entire campus has wi-fi internet connectivity. Students are encouraged to maximum their learning and computer skills by constant use of their computers/laptops for research, making notes, submissions and presentations.

MEDICAL FACILITIES

The University has a basic health care unit to provide medical support in its campus to provide immediate medical assistance to needy students and staff members. The facilities include a visiting doctor; an ambulance is stationed at the campus 24x7 to meet with any medical exigency.

IT INFRASTRUCTURE

Our university has a well equipped IT infra having center point of networking is in the server room. Each department is provided with PCs have different range of IP address for security and accessibility reasons. PCs in each department are connected through physical media with network Switch, there after each departmental network switch are connected with central router. Network server is available 24x7 for internet service over LAN. Classrooms, computers Labs, Board Room, Admission Area, Reception, Corridors, Entry and exit Points, Cash Counters etc. are under the eye of CCTV Cameras 24X7. All faculty and students are allowing to access internet and do their various necessary PC related work 24X7.

COMPUTER LAB

We have two Computer labs. Both labs covers different subject areas but all hold collections and offer study spaces and no's of computer with internet, wi-fi facility available for students and staff. One can make use of one of the computers available in our libraries, bring your own mobile device, tablets or Laptops or borrow a laptop from the library.

LIBRARY

The library has a good physical infrastructure and wealthy knowledge base with rich collection of books procured from various renowned publishers. Library having more than 10867 books which covers streams like Applied Science, Paramedical Sciences, Engineering, Computer Science, Pharmaceuticals, Agriculture, Commerce, Nursing, Management etc. It is having more than 35 national and international subscribed periodicals of various streams and also subscribes magazines for the students and supplies the variety of news on a regular basis (i.e. daily, weekly monthly etc.) and keep the users about the latest news and happenings taking place in our country and in the world at large. Library is having separate research section for the Ph.D. as well as M.Phil and M.Tech. Scholars. Apart from this, library is having huge resources in the form of CDs and DVDs. Developing library network (DELNET) is a major resource sharing library network in South Asia. It also provides inter library loans for books and documents delivery services for journals articles to the member libraries within and outside India.

TRAINING & PLACEMENT CELL

Our university has constituted a training and placement cell which is responsible to tie up with various placement agencies and offer them for placement. In this connection, Career Counselling camp was organized by BGU for IT and non IT Students in collaboration with Mobin Globus Company.

ANTI RAGING CELL

In compliance of the direction of Hon'ble Supreme Court, the ragging is strictly prohibited in the university.
