ABOUT THE UNIVERSITY

Bhagwant Global University, Kotdwar has been established in 2016 by Govt. of Uttarakhand & Approved by UGC. It has well established center for technical and professional education for rural and urban citizens through different modes at par with global standards. It is a matter of pride and honors that under the aegis of Bhagwant Group of Institutions, a large number of students have achieved success in life. For the academic development & global exposure of students as well as faculty, the Bhagwant Group is having tie ups with International Universities/Societies, where faculty exchange twinning programs, foreign training and placement.

INFRASTRUCTURE

CAMPUS & ENVIRONMENT

The campus is spread in a vast & lush green area. The University building has been designed and constructed under the supervision of highly qualified architects/engineers and consists of modern state of art, infrastructure and pollution free environment.

LIBRARY

Library is the nerve center of any institution. The University has a spacious and well stocked library having more than 40,000 books of above mentioned discipline. The reference section is full of national & international journals and periodicals to catch up with the latest research work. The college library is able to provide facilities like- DELNET, NPTEL for the wider coverage of subjects and latest updates. It provides online search for any journals, magazines or any books.

COMPUTER CENTER

The University has air conditioned computer labs equipped with sufficient number of latest hardware with high resolution monitors, scanners and large number of printers.

LABORATORIES

There is a plethora of labs which are constantly upgraded to match the latest requirements and equipment. The students are encouraged to give extra time for practice and polishing their proves in handling sophisticated instruments. The university has Electronic Lab, Communication Lab, Pharmacy, Nursing, Agriculture, Physio-Mechanical Engineering Lab, Science Lab and workshop well equipped with modern high tech training kits.

HOSTEL & RESIDENTIAL FACILITIES

We have separate hostel of boys & girls in the campus equipped with all amenities at reasonable charges. All the rooms having 24 hrs light and internet facilities. For the safety, hostel are surrounded by safe boundary wall and the eye of trained security guards and gun man.
